Our history, your future

Our story began in the late 1800s, when the Bairnsdale School of Mines first opened its doors on what is now our Bairnsdale campus.

While our name has evolved over the years, our purpose has remained the same: helping Gippslanders gain the skills, confidence and qualifications to build better futures.

Today, we're proud to be Gippsland's leading training provider, delivering industry-connected education that prepares students for real careers and lifelong success.

Our Gippsland footprint

We're close to home. So you can be too. With 13 campuses in nine locations across Gippsland, you can get the training you need close to home.

We're all about Gippsland. We give local students and workers the opportunity to receive top-class education and training right here in regional Victoria. Keeping the talent in Gippsland means a bigger, better and stronger future for our local industries and community as a whole.

Wherever you are in Gippsland, your future is in reach.

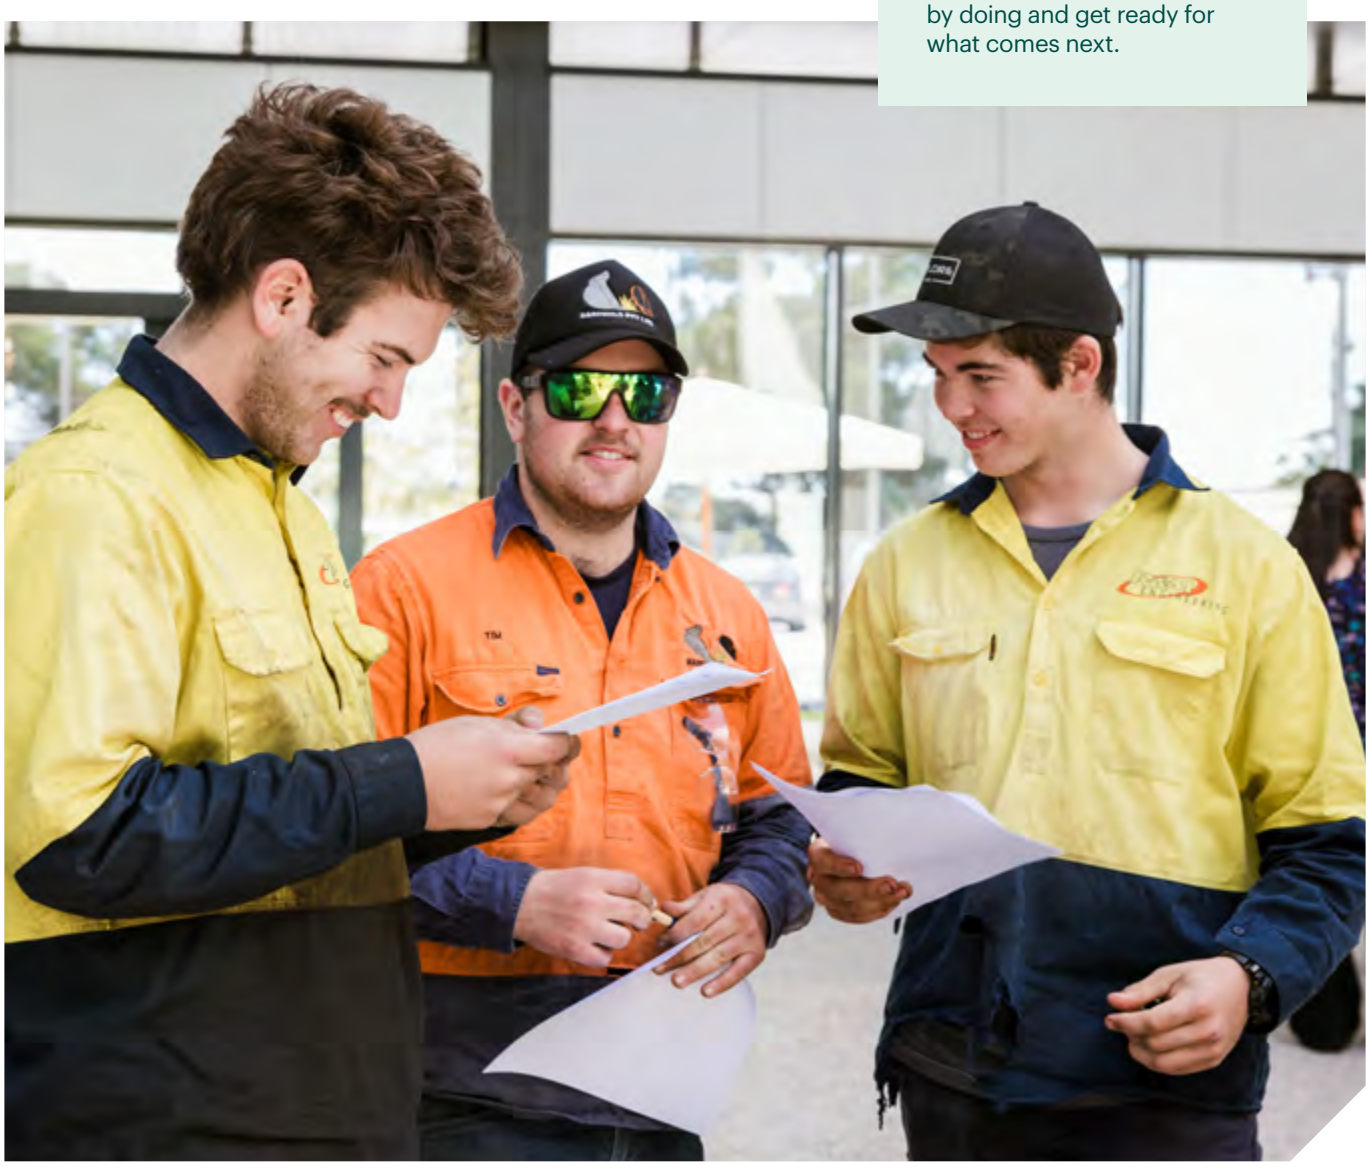

Your campus, your experience.

We've made it our mission to create more than just classrooms and workshops.

Our campuses are designed to give you welcoming spaces to learn, connect, recharge and access the support you need to succeed.

Our campuses are designed to provide enhanced learning opportunities across a range of industries.

From specialist trade facilities and commercial kitchens to natural learning environments and emerging clean-energy technologies, you'll have more opportunities to learn by doing and get ready for what comes next.

FIND YOUR SPACE. FIND YOUR PEOPLE.
FIND YOUR FUTURE AT TAFE GIPPSLAND.

CLEAN ENERGY CENTRE

Opened in 2026, our Clean Energy Centre is helping prepare students for a clean energy future, with training in emerging technologies including solar, battery systems, and hybrid and electric vehicle servicing and repairs.

MORWELL HORTICULTURE PRECINCT

Our revitalised horticulture precinct in Morwell includes a greenhouse, garden beds and culinary garden for hands-on learning and collaboration between our horticulture and hospitality students.

SEAMEC – HOME OF MARITIME

At our Seamec campus on Bullock Island in Lakes Entrance, you can train in specialist maritime and recreational boating skills all in a unique coastal environment.

COMMERCIAL KITCHENS

Get real-world experience in our training restaurants and commercial kitchens at Bairnsdale, Morwell and Leongatha, serving customers in real settings.

More than a
place to study

Love local?
Love TAFE Gippsland.

STAY LOCAL.
GO FURTHER.

You don't have to leave Gippsland to build a big future. At TAFE Gippsland, you can gain practical, industry-connected skills close to home, with modern facilities, real-world learning experiences and courses shaped alongside industry.

Your future doesn't have to start somewhere else.

It can start right here.

Our **agriculture students** learn alongside industry in authentic environments. You'll be able to take your learning outdoors and develop practical skills in authentic agricultural environments, with strong connections to Gippsland's farming industries.

Our **animal sciences students** take their learning beyond the classroom through excursions, industry visits, real-world case studies and work placements with local businesses.

Our **apprentices and trainees** are connected to local employers and industry. You'll learn on the job, gain practical skills and build your career right here in Gippsland.

Our **electrotechnology students** are training for the energy jobs of tomorrow. You'll practice hands-on skills to get you qualified for a career in Gippsland's growing renewable energy industry.

Our **health students** learn in modern, real-world settings, building practical skills in simulated environments designed to prepare you for the realities of working in health and community services.

Our **hospitality students** work in real restaurants, getting hands-on experience preparing food, serving customers and working in professional hospitality environments in our training kitchens.

What's it like being a student at TAFE Gippsland?

MAKE YOUR STUDY EXPERIENCE, YOURS.

Whether you're here to learn new skills, change careers, meet new people or take the next step towards your goals, we're here to help you make the most of your time with us.

From your first day to graduation, you'll find opportunities to connect, get involved, learn beyond the classroom and build the confidence to step into your future.

Celebrate the journey from the beginning

Start your study year at one of our O-Week Roadshow events, meet your fellow students and get connected to campus life.

Then, when the hard work is done, celebrate how far you've come. With annual graduations in Traralgon and Bairnsdale, you'll have the chance to mark your achievements alongside your classmates, family and friends.

Learning that goes beyond the classroom

Hands-on learning is just the beginning. Take part in excursions, industry visits, masterclasses and skills competitions that put your knowledge into practice and introduce you to new people, places and possibilities.

Room for everyone

TAFE Gippsland is a place where you can learn, connect and be yourself. Throughout the year, we come together to recognise and celebrate important days and events, including:

- International Women's Day
- IDAHOBIT
- Harmony Day
- RU OK? Day
- Tradies National Health Month

EVERYONE NEEDS A LITTLE HELP SOMETIMES

Starting or returning to study is a big step. You don't have to navigate it alone.

Our free, confidential support services are here to help you feel confident, connected and ready to succeed — from building your study skills to looking after your wellbeing and getting the support you need to access your education.

Look after yourself

A safe space talk, whatever's going on.

Our Student Wellbeing Advisors are available across our campuses and online. They provide free, confidential support if life is affecting your study — whether you're feeling overwhelmed, struggling with motivation, experiencing anxiety, facing financial challenges or navigating relationships.

They'll listen, help you work through what's happening and connect you with further support when needed.

Learning Hubs

Your place to study, connect and get support.

Our Learning Hubs at Bairnsdale, Morwell, Yallourn and Warragul are welcoming, flexible spaces where you can focus on your study, access resources and get help when you need it.

Disability support

Support that works for you.

Our Disability Advisors work with students whose disability, health condition or learning difference may impact their study. Support is free, confidential and disclosure is voluntary.

Our Disability Transition Support Officers can also provide personalised support to help students transition from secondary school into TAFE.

Reconnect Program

Ready for your next step?

The Reconnect Program helps eligible people overcome barriers to study, training and employment, with personalised support to help you achieve your goals.

Koorie support

Connect with culture, community and support.

Our Koorie Liaison Officers, Student Support Officers and teachers are here to help our Koorie students connect with community, cultural initiatives, student networks and learning support.

Learning Skill Advisors

You don't have to figure out study on your own.

Our Learning Skills Advisors can help you build the skills and confidence to succeed, whether you're studying on campus or online.

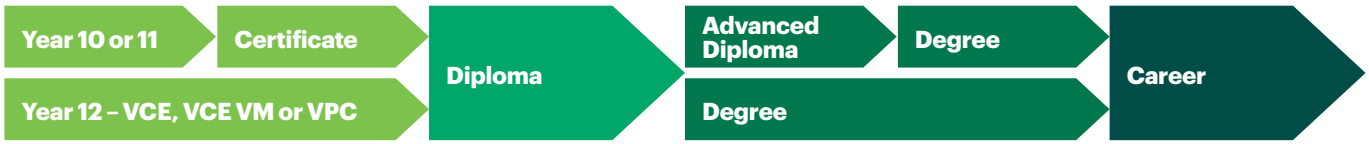

Through one-on-one coaching outside class time, our Learning Skills team works with you and your educator to help you develop stronger study habits, manage your workload and feel more in control of your learning.

FIND OUT MORE

Wherever you started, we're here to help you succeed.

Discover your pathway

TAKE YOUR NEXT STEP

Your study journey doesn't have to follow a straight line.
